Earth Station Application
SES-MOD-20040428-00607
E010289

Dear Mr. Seaton/Michelle S. Cadin

This letter is about the above-captioned earth station application filed on April 28, 2004, on behalf of Cable News Network LP, LLLP. This application, upon our preliminary inspection, has been found to be defective, and is returned, hereby, to Cable News Network as unacceptable for filing. The application is rendered defective, in the main, because of the old file number copying the incorrect technical data for filing selected by Cable News Network.

In the event you should have questions, please call Mrs. Eleanor Lott, the undersigned, at (202) 418-0728 or e-mail at www.Eleanor.Lott@fcc.gov.

Thank you.

Sincerely yours,

Telecommunications Specialist
