Dear Eleanor,

Thank you for contacting me today. I respectfully request that you withdraw / dismiss the above referenced modification (to add a 6.3-meter antenna) that I submitted for the earth station with Call Sign #E000361. Please process the other modification that I filed on 11/3/04 to add a 6.1-meter antenna to the same earth station.

Please feel free to contact me if you have any questions or comments.

Thank you,

Michael Batson
