Earth Station: E874277  
File Number: SES-MOD-20050411-00421  
Certification of Completion of Construction and Commencement of  
Operation

Dear Ms. Dortch:

By this letter, Jefferson-Pilot Communications Company of Virginia ("Jefferson-Pilot"), hereby notifies the Commission, and certifies, pursuant to Section 25.133 of the Commission's rules, that the above-referenced earth station has been constructed as authorized and became operational on June 1,2005. The Commission granted the above-referenced license modification application on May 23,2005.

Jefferson-Pilot also certifies that the facility has been constructed as authorized, including the gain patterns specified in specified in Section 25.209 of the Commission's rules, and each antenna facility has been tested. The facility will remain operational during the license period unless the license is submitted to the Commission for cancellation.

If additional information is required, please direct inquiries and correspondence to the undersigned.

Sincerely,
