Subject: Intelsat's Filed Earth Station Modification Applications - Replacement Exhibit B

Dear Mary Jane:

Per our telephone conversation earlier today, please replace the Exhibit B attachment to Intelsat LLC's pending earth station modification applications (call signs KB26, E020169, E020314 and E020315), filed on April 12, with the enclosed Exhibit B.

I inadvertently filed an outdated version and apologize for any inconvenience. If you have any questions concerning this request, feel free to contact me at (202) 944-7896.

Sincerely,
Derrick Johnson
