Re: Lowe's Companies, Inc.
Certification of Completion of Construction
VSAT Network Station E030039
Mooresville, NC
SES-MOD-20050610-00722

Ladies and Gentlemen:

Lowe's Companies, Inc. ("Lowe's"), licensee of earth station E030039, hereby notifies the Commission that construction of the modified facilities, as authorized by the above-referenced application, has been completed. Pursuant to Condition 2939 of its earth station license, Lowe's hereby certifies as follows:

1. The modification application to add a new hub antenna (designated on the license as "HUB B") was granted by the Commission on August 1, 2005 (SES-MOD-20050610-00722);
2. The new earth station antenna has been tested and is within 2 dB of the pattern specified in Section 25.209 of the Commission's rules;
3. The modified earth station facility commenced operation on November 20, 2005 and will remain operational during the license period unless the license is submitted for cancellation.

Respectfully submitted,

Lowe's Companies, Inc.
