Re: Certification of Completion of Construction for Earth Station E865092

Dear Ms. Dortch:

On behalf of Media General Communications, Inc. ("Media General"), licensee of the above-referenced earth station, we hereby submit the enclosed Certification of Completion of Construction. In addition, the license authorization for E865092 contains a typographical error in the address for the earth station. The correct address is 6940 Man O' War (WTVQ). Accordingly, Media General respectfully requests that the Commission reissue the license for E865092 to correct the street address. Please contact me with any questions.

Respectfully submitted,

Robert J. Folliard, III
