NOTIFICATION OF COMPLETED CONSTRUCTION

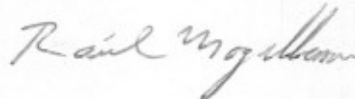

Dear Sir or Madam:

Pursuant to the procedures described in 47 CFR § 25.133, Licensee hereby certifies that the VSAT network serving the CONUS, authorized by the above-captioned station license has been placed into operation, pursuant to modified permanent authority for operation granted on September 8, 2005.

Licensee commenced operation of this facility on or about August of 2005. Licensee certifies that the antenna facility associated with this station hub has been tested and is within 2 dB of the pattern specified in Section 25.209 and that the station is operational and will remain operational during the license period unless the license is submitted for cancellation.

Should you have any questions concerning this matter, please let us know.

Respectfully submitted,

Raul Magallanes
Corporate Counsel
