Re: Notice of Completion of Construction and Commencement of Service  
Name of Licensee: Amtech Systems LLC  
FCC File Nos. SES-MOD-20050819-01117  
Call Sign: E030120  
License Grant Date: 10/07/2005  
Date of Commencement of Service: 01/30/2006

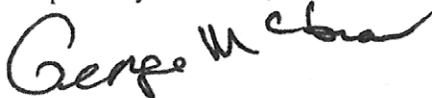

Dear Ms. Dortch:

Amtech Systems LLC ("Amtech") hereby notifies the Federal Communications Commission that Amtech has completed construction of, and commenced service using, the MT-3000 series of Mobile Earth Terminals ("METs") in the 1.5/1.6 GHz Mobile Satellite Service (MSS). Amtech's MT-3000 series METS operate under call sign E030120, with the antenna ID "A4", as authorized by the Commission's October 7, 2005 license grant.<sup>1</sup>

The MT-3000 series METs as authorized have been completed and tested and comply with 47 C.F.R. § 25.136, except to the extent that Amtech has been granted a waiver of the preemption and real-time access requirements of Footnote US315 for the term of its license. The MT-3000 series METS will remain operational during the license period unless the license is submitted for cancellation.

Should there be any questions concerning this matter, please contact the undersigned or Jennifer D. Hindin at 202.709.4975.

Respectfully submitted,

George McGraw  
EVP Operations
