MOTION FOR EXTENSION OF TIME

Pursuant to Section 1.46 of the Commission's rules, 47 C.F.R. § 1.46, Iridium Satellite LLC and Iridium Carrier Services LLC (collectively, "Iridium") request a one-week extension of time to respond to the petition to deny filed by Globalstar LLC ("Globalstar") in the above-captioned proceeding. Globalstar's petition raises technical issues that will require additional time to address. A brief one-week extension of time will allow Iridium to investigate technical solutions that could resolve Globalstar's interference concerns.

Globalstar verbally has consented to Iridium's request to extend the deadline for filing a response from November 29 to December 6, 2005. The parties also have agreed to a similar one-week extension of time to permit Globalstar to file a reply by December 20, 2005, provided that a copy of Iridium's response is served on Globalstar by electronic mail or hand-delivery.

Respectfully submitted,

IRIDIUM SATELLITE LLC and
IRIDIUM CARRIER SERVICES LLC
