**MOTION FOR FURTHER EXTENSION OF TIME**

Pursuant to Section 1.46 of the Commission's rules, 47 C.F.R. § 1.46, Iridium Satellite LLC and Iridium Carrier Services LLC (collectively, "Iridium") request an additional three-week extension of time, until December 27, 2005, to respond to the petition to deny filed by Globalstar LLC ("Globalstar") in the above-captioned proceeding. Iridium further requests a similar extension of time to permit Globalstar to file a reply by January 20, 2006.

Globalstar's petition raises technical issues that will require additional time to address. An additional three-week extension of time will allow Iridium to investigate technical solutions that could resolve Globalstar's interference concerns. Globalstar has consented to Iridium's request to extend the deadline for filing a response from December 6 to December 27, 2005, and to extend Globalstar's deadline for filing a reply from December 20 to January 20, 2006, provided that a copy of Iridium's response is served on Globalstar by electronic mail or hand-delivery.

Respectfully submitted,

IRIDIUM SATELLITE LLC and  
IRIDIUM CARRIER SERVICES LLC
