Dear Mr. Kotler:

Iridium Satellite LLC and Iridium Carrier Services LLC (collectively, "Iridium") request a three-week extension of time to provide the information requested in your letter dated September 26, 2006, regarding the above-referenced applications.

Iridium and Eagle Broadband, Inc., the manufacturer of the equipment proposed in the above-referenced applications, diligently have been working to prepare a detailed response to the questions raised in your September 26th letter. As a result of an unexpected change in Eagle Broadband's technical personnel within the last month, however, Iridium and Eagle Broadband are unable to provide the requested information by October 26. Consequently, a brief extension from October 26 to November 16 would allow the parties sufficient time to provide a complete response to your letter of September 26.

Thank you for your consideration. Please contact the undersigned if you have any questions regarding this matter.

Sincerely,

Olga Madruga-Forti
