Hi Sophie.

Thanks so much for taking my call about WTEN's earth station modification for E990366. As we discussed, you will go ahead and grant the modification under the licensee name WTEN-TV, and then after it is granted, we will file an assignment application to assign the license to Young Broadcasting of Albany, Inc. As I mentioned on the phone, I don't know who filed the original application back in 1999, but it was filed with the wrong licensee name; I appreciate your bringing this to our attention and giving us the opportunity to get it all corrected.

If you have any further questions, please don't hesitate to call.

Best wishes for the new year!

- Stephen
