Subject: AGF Sale (VSAT) - Name Change Notice to FCC

To whom it may concern –

In March 2011, I filed the attached letter with the International Bureau notifying it of “American General Finance Inc.” changing its name to “Springleaf Finance Inc.,” and updated the licensee name in the FCC’s CORES database. See attached.

The CORES name change was effective. However, when I log onto IBFS, the licensee’s name is still listed as “American General Finance Inc.”

What is the best way to effectuate this name change in IBFS?

Thank you in advance,
Steve Rosen
