**RE: Fixed Satellite Service, VSAT Network Radio Station Authorization  
File # SES-MOD\_20060127-00166**

Dear Sir/Madam:

Please consider this the surrender by Springleaf Finance, Inc. of the above mentioned license, effective immediately. The reason for our surrender of this license is that Springleaf Finance, Inc. no longer uses satellite transmissions for its transmission of information to its branch network, which was the original purpose for the use of the satellite service.

Sincerely,

A handwritten signature in black ink that reads "Jeffrey L. Ledbetter / slm".
