CERTIFICATION OF IMPLEMENTATION OF MODIFICATION

Licensee: The TJX Companies, Inc.

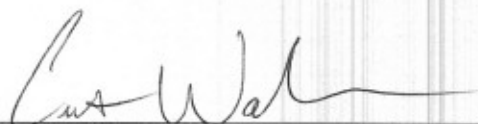

File Number: SES-MOD-20060201-00194

Call Sign: E910563

Grant Date: March 29, 2006

Certification: I certify that the VSAT network facility has been modified and placed into operation as authorized on April 27, 2006. I certify that the modification of the hub antenna has been completed, and the antenna is within 2 dB of the pattern specified in § 25.209 of the Commission's rules. The TJX Companies, Inc. has begun to deploy the remote terminals authorized by the above-referenced license modification; pursuant to the FCC's blanket licensing provisions, licensees are allowed the entire license term to deploy the authorized number of remote terminals. This facility will remain operational during the license period unless the license is submitted for cancellation.
