Eleanor,

Thank you so much for letting me know about this. I have tried to send you 2 files at one time and the email is not liking that, so I will send 2 emails, each with one file. I apologize for this inconvenience.

I have attached the following.

In this email

file Andrew 960.pdf - Channel Master Type 960, 0.96m antenna □ R 17

and will send in the next email

file Patriot TXINT100KU.pdf □ Patriot Type TX-INT100KUG, 1.0m antenna □ R 18

Please let me know if there is any additional information that you need.

Laura

Hello Laura,

One of your attachment that was submitted with your application filing above did not come over correctly and was damaged. So could you submit that attachment to me so I can upload to your file. The attachment file information that I need is (Patriot TXINT100KU.p Antenna Pattern for R17, Channel Master 960).

Thank You

Eleanor M. Lott
