Good afternoon, Ms. Arrington,

As you always are so helpful, I thought I might ask you to point me in the right direction with an entirely new problem: I just realized that the above-referenced license lists the incorrect state as the address for the licensee. It says □EDEN PRAIRIE, HENNEPIN, **WI** 55344 (*emphasis supplied*).□ The licensee actually is located in Eden Prairie, Hennepin, **MN** 55344, as opposed to Wisconsin. I□m afraid this is a result of my typographical error in the modification application, File No. SES-MOD-INTR2006-00602.

Is there a simple way to get this corrected, or should I file for a modification of the license?

Thank you very much for your assistance,

Molly Pauker
