NOTIFICATION OF CONSTRUCTION

Dear Ms. Dortch:

Transmitted herewith on behalf of our client, Wal-Mart Stores, Inc, is an original and four copies of its Notification of Construction for the secondary hub located in Pineville, Missouri as authorized by Satellite Earth Station call sign E940457.

This filing is made in response to the Federal Communications Commission's Rules and Regulations, Section 25.133(b): *Each license for a transmitting earth station included in this part shall also specify as a condition therein that upon the completion of construction, each licensee must file with the Commission a certification.*

It is believed that the Commission will find this Notification to be in satisfactory form for the intended purpose. Should there be any questions concerning the Notification, however, the Commission is respectfully requested to communicate directly with this office.

Sincerely,

C. Douglas Jarrett

NOTIFICATION OF COMPLETED CONSTRUCTION

Dear Sir or Madam:

Pursuant to the procedures described in 47 CFR § 25.133, Wal-Mart Stores, Inc. ("Wal-Mart") hereby certifies that the construction of the secondary hub located in Pineville, Missouri authorized by the above-captioned station license has been completed and placed in operation, pursuant to modified permanent authority for operation granted on June 2, 2006.

As previously disclosed to the Federal Communications Commission in Wal-Mart's Request for Special Temporary Authority of February 21, 2006, and in its July 20, 2006, Response to the Enforcement Bureau, Wal-Mart commenced operation of this relocated facility on or about September 30, 2003. Wal-Mart certifies that the antenna facility associated with the secondary hub has been tested and is within 2 dB of the pattern specified in Section 25.209 and that the station is operational and will remain operational during the license period unless the license is submitted for cancellation.

Should you have any questions concerning this matter, please let us know.

Respectfully submitted,

Wal-Mart Stores, Inc.
