Certification of Completion of Construction and Commencement of
Service

Dear Ms. Dortch:

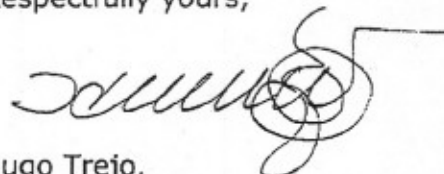

Grupo W Com, S.A. de C.V., FCC licensee of a VSAT Network, Call Sign E050244 (the "License"), hereby certifies that the construction authorized in the above-referenced application has been completed. The network has been placed in operation effective April 16, 2007 and will remain operational during the license period, which ends October 24, 2020, unless submitted for cancellation.

The 1.2 meter remote antennas specified in the License have been tested and are within 2 dB of the pattern specified in Section 25.209. Per the terms of the License, the 0.98 meter remote antennas do not comply with Section 25.209 but do comply with the special conditions provided in section E of the License.

Questions and correspondence concerning the station should be directed to the undersigned or to the licensee's legal counsel Matthew S. DelNero, Covington & Burling LLP, 1201 Pennsylvania Avenue, N.W., Washington, D.C. 20004-2401. Mr. DelNero may be also reached by telephone at (202) 662-5543 or electronic mail at mdelnero@cov.com.

Signed and dated this 18th day of April 2007.

Respectfully yours,

Hugo Trejo,
Director of U.S. Operations
