Subject: Modification to two LSNSI application
Ms. Lott,

As per our earlier discussion I incorrectly filed the below two modifications.

SES-MOD-20060823-01498/ Modification to add certain additional antenna's to blanket license for Call Sign: E030029

SES-MOD-20060824-01499/ Modification to add additional antennas to communicate with existing licensed HUB station for Call Sign:

E020101

My mistake was that I filed the modifications under Loral Skynet Network Services, Inc. (FRN □ 0009421561) when in fact they should have been made under Loral SpaceCom Corporation (FRN-0013656939). By way of this email I am requesting that you kindly modify the above referenced modifications to reflect that they should be filed under SpaceCom Corporation (FRN-0013656939).

Please let me know if you have any further questions. Thank you again for all your help and assistance today!

Best regards,
