**Re: Walgreen Company
Certificate of Commencement of Operation of Satellite Earth Station
Call Sign E880547; File No. SES-MOD-20060914-01734**

Dear Ms. Dortch:

As required by the Commission's rules, Walgreen Company hereby certifies pursuant to 47 C.F.R. §25.133(b) that:

1. Walgreen Company is the Commission licensee for Call Sign E880547.
2. The International Bureau, pursuant to delegated authority, granted the license modification on October 30, 2006 under File No. SES-MOD-20060914-01734.
3. The facilities referenced in the application have been constructed and the antenna facility has been tested and is within 2 dB of the pattern specified in §25.209 of the Commission's rules.
4. The station became operational on February 15, 2007 and will remain in operation during the license period, unless the license is submitted for cancellation.

Please do not hesitate to contact the undersigned should you have any questions.

Respectfully submitted,

Phil Herrera
Director of Telecommunications
