File No: SES-MOD-20070427-00525

Dear Ms. Dortch:

In response to an inquiry from staff regarding the above referenced application, Intelsat hereby provides additional information related to coordination of its proposed operations with Fixed Service operations.

The coordination report provided in the application inadvertently listed only the common carriers that received the coordination notice, and did not include the operational Fixed Service users that were contacted. Intelsat attaches herewith a list of operational Fixed Service users contacted during the coordination process. This list confirms that Sprint Telephony, L.P. was included in the coordination process.

Please do not hesitate to contact the undersigned should you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Susan H. Crandall".

Assistant General Counsel
