**Re: File No. SES-MOD-20070801-01013, Call Sign E020248**

Dear Ms. Dortch:

On behalf of EchoStar Satellite Operating Corporation, the undersigned hereby requests that the Commission remove "ALSAT" from the authorized points of communication for Call Sign E020248. It appears that this point of communication may have been inadvertently included in the authorization for E020248, as Rainbow 1 was the only requested point of communication in the original application for this earth station. See File No. SES-LIC-20020913-01555. If you have any questions regarding this filing, please feel free to contact me.

Sincerely,

Brendan Kasper
