RE: Callsign E000329

Clear Channel Satellite Services submitted a license modification to the FCC on September 12, 2007. Due to an incorrect reference to one of our Callsigns (E000329) and a File Number for a different license also held by our firm, we now must surrender the recently granted modification and request that our Callsign E000329 be rolled back to the authorization SES-MOD-20060420-00696.

If you have any questions, I can be reached at 303-925-1708. Thank you for your assistance in this matter.

Sincerely,

Liz Karr
