Eleanor,

Upon receipt of your email, I immediately contacted Comsearch for the estimated delivery date of the report which they promptly provided. Do you need anything else?

Liz,

Attached are the final report and coordination contour report for the San Antonio site.

Please let me know if you have any questions.

Have a great weekend.

Tim,

Please provide estimated delivery date for report. The FCC is considering dismissing my application if the date is not fast. Thanks

Hello Liz,

Attached for your files is the coordination data for the San Antonio site. This is not the filing information; it is a copy of the prior coordination data sent to the carriers. The Final Report should be ready by the end of the month.

Let me know if you have any questions.
