RE: Earth Station License Name Change

Dear Secretary Dortch:

On behalf of the State of New York's Office of General Services, please accept this letter as formal request to change the name on our Earth Station licenses. This is only a name change -- there is no change in control, and the address/site location on each will remain the same. Our Federal Employer ID Number is 14-6013200, which also remains unchanged. Our FRN is 0022391189.

The following are the Call Signs on the licenses we'd like to modify:  
E060018, E060019, E060021, E090145

The licenses are all currently assigned to the State University of New York/New York Network, and should be renamed to the governmental entity, **State of New York**.

If further information is required, please do not hesitate to contact me.
