Applicant Vizada, Inc., a Delaware corporation, is an indirect wholly-owned subsidiary of MobSat Holding Norway AS¹ ("MobSat AS"). MobSat AS is an indirect wholly owned subsidiary of MobSat Group Holding Sàrl ("MobSat Group Holding"), a Luxembourg company. The significant shareholders of MobSat Group Holding are Apax France VI FCPR ("Apax France") (54.4% total interest), Altamir Amboise SCA ("Altamir Amboise") (21.1% total interest), and Apax Parallel Investment V ("API V") (15.4% interest). Apax France is a fonds commun de placement à risques (an investment fund) organized under French law. Altamir Amboise is organized in France as a société en commandite par action, which is equivalent to a limited partnership in the United States. API V is a Delaware limited partnership in which an interest of greater than 99% is held by Summer Street Satellite Holding Company, Ltd. ("Summer Street"), a Cayman Islands company. Summer Street is wholly owned by GEAM International Private Equity Fund, L.P., a private equity fund organized in Delaware that is sponsored by GE Asset Management, Inc. MobSat Group Holding's interest in MobSat AS is held through two intermediate wholly-owned subsidiaries, Mobsat Holding 2 BV and Mobsat Holding 1 BV, both of which are organized in the Netherlands. MobSat AS's interest in Vizada, Inc. is currently held through an intermediate wholly-owned subsidiary Mobsat Holding US Corp., a Delaware corporation.²

¹ MobSat Holding Norway AS was formerly known as Inceptum 1 AS. The name change was effective October 16, 2007.

² An application has been submitted to the Commission for consent to a *pro forma* transfer of control to occur through a minor restructuring of Vizada's ownership chain. If approved by the Commission Mobsat AS will transfer ownership of Mobsat Holding US Corp., to Vizada AS, a direct wholly-owned subsidiary of MobSat AS, thereby inserting Vizada AS into Vizada's ownership chain.
