

**Modification Application Certification For  
Direct Shopping Network, LLC  
Glendale, California  
Call Sign: E070153**

**Per FCC Rules (FCC 10-21) – IB Docket No. 06-154: Adopted January 21, 2010**

**FCC Rule 25.117 (c):**

The Direct Shopping Network is filing a modification to their license (E070153) to relocate their existing transmit receive earth station from the roof of their Glendale, California facility to the ground at the same facility. Only the height of the earth station Above Ground Level (AGL) and Above Mean Sea Level (AMSL) will change on the license. All other licensed parameters for this earth station will remain the same.
