Re: E070245 License Modification

Pursuant to Section 25.117 of the Commission's Rules, Southwestern Energy Company. respectfully requests the modification of call sign E060157, file SES-LIC-20071019-01442. The application requests for the following changes:

Antenna ID: Hub ES

Addition of emission designators  
Increase of maximum total power at antenna flange  
Increase of aggregate output EIRP for all carriers

Antenna ID: Remote 1

Addition of emission designators  
Increase of maximum total power at antenna flange  
Increase of aggregate output EIRP for all carriers  
Increase number of remotes

A new radiation hazard study has been performed for both antennas. (see Exhibit A and Exhibit B).

Sincerely,
