Re: E000361 License Modification

Pursuant to Section 25.117 of the Commission's Rules, Skyport Global Communications, Inc. respectfully requests the modification of callsign E000361, file SES-RWL-20100722-00945. The application requests the addition of three new antennas:

1. Andrew 3.7m Ku
2. Harris 6.1m Ku
3. Vertex 2.4m Ku

A radiation hazard study has been performed for each antenna and is attached to the underlying application.

Sincerely,
