Hi
After speaking to Towanda Item 21 it should be Non-common carrier

Thanks
Julian

[Mr. Puma,](#)

[Please send a separate e-mail to our staff, Ms. Bryant, indicating that you had Item 21 status of your station incorrectly selected. It should be Non-Common Carrier. The status of your station will then be corrected to show as a non-common carrier on the authorization at grant time.](#)

[Thanks,](#)
