Subject: Post Newsweek Stations, Florida License Modification E960414

Ms. Bryant,

This email is in response to your voice message of 5/16/2011.

Concerning the license modification application (File Number: SES-MOD-20110420-00489), Post-Newsweek Stations, Florida, Inc. is replacing their SNG truck as well as the associated antenna. They are also amending the emissions to be used with the new earth station.

Toward this purpose they would like to drop the following emissions from their license:

36M0F3F
64K0G7E
21K6F3E
15M0G7W

The New emissions to be placed on their license are as follows:

64K0G7W
36M0G7W

If you have any questions, please give me a call.

Thank you,

Jeff Cowles
