Re: E100053 License Modification

Pursuant to Section 25.117 of the Commission's Rules, Harris CapRock Communications, Inc. respectfully requests the modification of callsign E100053, file SES-LIC-20100420-00460. The application requests the addition of several new Prodelin 1.2m Ku antennas.

A radiation hazard study has been performed for the respective antennas and is attached to the underlying application.

Sincerely,
