Re: Globecom Systems, Inc.
Notification of Completion of Construction
E020003; SES-MOD-20120426-00398

Dear Ms. Dortch:

On behalf of Globecom Systems, Inc. ("GSI") this is to provide notice that the fixed satellite earth station E020003, licensed to GSI (the "Station") is operating and construction has been completed. A certification is attached hereto specifying the date by which construction was completed and operation commenced for the Station.

Please contact the undersigned with any questions.

Very truly yours,

Michelle A. McClure
Counsel to Globecom Systems, Inc.

Re: Globecomm Systems, Inc.; E020003
Notification of Construction

Dear Ms. Dortch:

I certify that the 3.8m antenna, AOT-21, added to call sign E020003, under modification application SES-MOD-20120426-00398, and granted June 22, 2012 and licensed to Globecomm Systems, Inc., was constructed and has been tested and is within 2 dB of the pattern specified in Section 25.209. The station is operational in accordance with the authorized technical parameters and will remain operational as authorized during the license period unless the license is submitted for cancellation.

I declare under penalty of perjury that the foregoing is true and correct.

Respectfully submitted,

Gerry Johnston Sr.
Principal Engineer
