Re: Certification of Completion of Construction  
California State University, Chico  
Fixed Satellite Earth Station E871192  
FCC File No. SES-MOD-20120601-00479

Dear Ms. Dortch:

On behalf of California State University, Chico, we submit herewith, in triplicate, the enclosed certification that the above-referenced modifications to fixed Ku-band satellite earth station E871192 have been constructed and the facility is operating in accordance with the technical parameters of its authorization. This information is provided in accordance with Section 25.133 of the FCC's Rules.

Should any questions arise concerning this matter, kindly contact this office.

Very truly yours,

Barry S. Persh

**Re: Certification for Fixed Earth Station E871192, Chico, California  
FCC File Number SES-MOD-20120601-00479**

Dear Ms. Dortch:

California State University, Chico certifies that construction of the above-referenced fixed Ku-band earth station at Chico, California has been completed. The following information is provided for filing with the FCC:

1. Licensee: California State University, Chico
2. File Number: SES-MOD-20120601-00479
3. Earth Station Call Sign: E871192
4. Date of License: July 16, 2012
5. Certification: See statement below
6. Date of First Operation: August 5, 2012

The earth station was completed as authorized and tested for compliance with its authorized parameters. This facility will remain in operation during the license period unless the license is submitted for cancellation.

Sincerely,

California State University, Chico
