

**Verification of Earth Station Antenna Performance Standards**

**Certificate of Compliance**  
**47 C.F.R. § 25.209**

I, Hamid, Moheb for Prodelin, a TriPoint Global Company ("Prodelin"), hereby certify that the Prodelin 3.8m Ku-band antenna (Series 1383) conforms to the gain pattern criteria of Section 25.209(a) and (b) of the FCC's Rules. Prodelin maintains all relevant test data, available upon request, to verify this statement.
