Re: Stratos Offshore Services Company, IBFS File No. SES-MOD-20130416-00327, Call Sign E070114

Dear Ms. Dortch:

Stratos Offshore Services Company (“Stratos”) respectfully requests that its grant of authority to modify the above-referenced ESV license be corrected to reflect certain parameters that were identified in the application but omitted in the Commission’s grant of authority.

On August 13, 2013, the Commission granted its authority to modify Stratos’ ESV license to add a number of remote terminals, among other things. The new remote site ID 12 consists of antennas that will be controlled through a control point in Herndon, Virginia, contact information for which was provided in Schedule B of the Form 312.

Please update Section 7 Remote Control Point in the radio station authorization to reflect the following contact information: **600 Herndon Parkway, Herndon (Fairfax County), VA 20170, Phone Number 703-637-0120.**

Please feel free to contact me if you have any questions regarding this submission.

Respectfully submitted,

/s/
