Subject: Application FCC IB2014001029 -- Change Request

Towanda,

Kathleen Campbell requested that I contact you to request a change to Question #25 on the above-referenced FCC Form 312 that I filed with IBFS last week. Specifically, we are requesting a change to the designation in Question #25 from "Mobile Earth Station" to "**Temporary Fixed Earth Station**". She informed me that no amendment is necessary, but that I should request this change via email to you.

Thank you, and please feel free to contact me if you have any questions with regard to this change or any other part of the pending application.
