Re: Certification of Completion of Construction  
Earth Station E950195

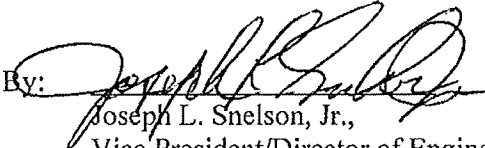

Dear Sir or Madam:

KPHO Broadcasting Corporation hereby certifies that construction of E950195 has been completed, that each antenna facility has been tested and is within 2 dB of the pattern specified in Section 25.209 of the Commission's Rules, and that the station is operational and will remain operational during the license period unless the license is submitted for cancellation.
