Re: Construction of Modified Earth Station E920223
File No. SES-MOD-20160615-00514

Dear Ms. Dortch:

This letter relates to the modified Earth Station license, call sign E920223, licensed to New Orleans Hearst Television Inc. (“Hearst”), pursuant to the Commission’s grant dated July 25, 2016, in File No. SES-MOD-20160615-00514. The modified facility was completed and operation of the modified facility commenced as of July 6, 2016, pursuant to the provisionally-granted rule in Section 25.151(e) of the Commission’s Rules. (The license application was placed on Public Notice on June 22, 2016, in Report No. SES-01861.)

Pursuant to Condition 2938 of the license, Hearst has authorized the undersigned to represent that Hearst’s operation of the earth station will be in conformance with the licensed parameters, the earth station will remain operational during the license period unless the license is submitted for cancellation, and the antenna has been tested and represented by the manufacturer to be within 2 dB of the pattern specified in Rule Section 25.209.

If any questions should arise during the course of your consideration of this notification, it is respectfully requested that you communicate with this office.

Sincerely,

Stephen Hartzell
Counsel to New Orleans Hearst Television Inc.
