Dear Ms. Dortch:

Nextel Communications of the Mid-Atlantic, Inc., a wholly owned subsidiary of Sprint Corporation (collectively, “Sprint”), filed the above-referenced applications for modification. By this letter, Sprint supplements its applications to advise the Commission of a change to the information provided in the applications.

In its Response to Question 34 regarding foreign ownership, Sprint reported that it had recently received the necessary approvals for a *pro forma* transaction whereby a new entity, SoftBank International GK, would be inserted into the vertical ownership chain above it. Sprint hereby advises that the *pro forma* transaction was consummated.¹

A diagram showing Sprint’s ownership structure following the *pro forma* transfer of control is attached for your convenient reference.

¹ See, e.g., Application for *Pro Forma* Transfer of Control, IBFS File No. SES-T/C-20160412-00345 (filed April 11, 2016; supplemented April 21, 2016 & June 29, 2016; granted effective July 7, 2016; consummation notice filed July 25, 2016).
