Re: Section 1.65 update to IBFS File No. SES-MOD-20170425-00465

Dear Mr. Blais,

This letter is submitted regarding the above-referenced earth station application.

Because the application is for use of Ka-band frequencies not subject to Section 25.209, ISAT US Inc. changes its answer to question E15 from “No” to “N/A.”

Please contact the undersigned if you have any questions.

Respectfully submitted,

/s/ Giselle Creeser
