Re: HNS License Sub, LLC
Request for Special Temporary Authority
File No. SES-STA-20170721-00792
Application for Modification of Blanket License
File No. SES-MOD-20170726-00811, Call Sign E060445

Dear Ms. Dortch:

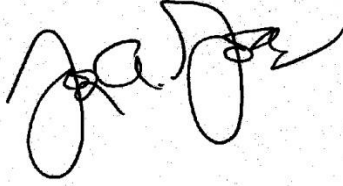

On August 12, 2017, Iridium Constellation LLC ("Iridium") filed a letter raising issues with respect to the coordination status of services proposed in the above-referenced filings submitted by HNS License Sub, LLC ("HNS"). On August 15, 2017, HNS filed a supplemental letter clarifying that in the 29.25 - 29.30 GHz band HNS is only seeking authority in the above-referenced filings to communicate with the EchoStar XVII and EchoStar XIX satellites, "subject to the limits agreed upon in applicable coordination agreements with other satellite operators, including Iridium."¹

In light of HNS' filing and separate communications between Iridium and HNS, Iridium's concerns have been resolved. Accordingly, Iridium hereby withdraws its August 12 letter.

¹ See letter from Jennifer A. Manner, Senior Vice President, Regulatory Affairs, Hughes, to Marlene H. Dortch, Secretary, FCC File Nos. SES-STA-20170721-00792 and SES-MOD-20170726-00811.

Please direct any questions regarding this filing to the undersigned.

Respectfully submitted,
