Re: Construction of Modified Earth Station E060141 (SES-MOD-20170915-01027)

Dear Ms. Dortch:

This letter is to notify the Commission that construction relating to the modification of Earth Station E060141, licensed to Hearst Properties Inc. (“Hearst”), pursuant to the Commission’s grant dated November 15, 2017, in File No. SES-MOD-20170915-01027, was completed and operation of the facility commenced as of October 11, 2017, pursuant to the provisionally-granted rule in Section 25.151(e) of the Commission’s Rules.

Pursuant to the relevant provisions on the authorization and relevant portions of Rule Section 25.133(b), Hearst has authorized the undersigned to represent that Hearst’s operation of the earth station will be in conformance with the authorized parameters, and the earth station will remain operational during the license period unless the authorization is submitted for cancellation, and the antenna has been tested and represented by the manufacturer to be within 2 dB of the pattern specified in Rule Section 25.209.

If any questions should arise during the course of your consideration of this notification, it is respectfully requested that you communicate with this office.

Sincerely,

Stephen Hartzell  
*Counsel to Hearst Properties Inc.*
