

## **Exhibit 1**

This Modification Application is being filed for Station E050272 to update the following Schedule B parameters, pursuant to the Commission's Public Notice, DA 17-1127, dated November 21, 2017.<sup>1</sup>

### Schedule B: Updated Site Contact:

Scott Calhoun  
961 Anselmo Court  
Napa, CA 94558  
Tel : 707-251-1100

### Schedule B: Updated Geographic Coordinates Using WGS84 Datum and Site Elevation:

#### Geographic Coordinates:

N. Lat: 38-14-41.54 (WGS84)  
W. Long: 122-16-45.90 (WGS84)

Pursuant to the Commission's instructions, "N/A" was chosen at Item E13, and the updated WGS84 coordinates were specified at Item 43. The licensee understands that the Commission will insert the updated coordinate information into the system

#### Site Elevation:

9m

Pursuant to discussions with the frequency coordinator, it is the licensee's understanding that neither frequency coordination nor a Radiation Hazard Study is required in connection with this Minor Modification.
