

Exhibit 1

This Modification Application is being filed for Station E050330 to update the following Schedule B parameters, pursuant to the Commission's Public Notice, DA 17-1127, dated November 21, 2017.¹

Schedule B: Updated Site Contact:

Dewey Courtwright
2323 Grimville Rd
Woodbine, MD 21771
Tel: 410-970-7590

Schedule B: Updated Geographic Coordinates Using WGS84 Datum and Site Elevation:

Geographic Coordinates:

N. Lat: 39-22- 37.92 (WGS84)
W. Long: 77-4-49.49 (WGS84)

Pursuant to the Commission's instructions, "N/A" was chosen at Item E13, and the updated WGS84 coordinates were specified at Item 43. The licensee understands that the Commission will insert the updated coordinate information into the system

Site Elevation:

194m

Pursuant to discussions with the frequency coordinator, it is the licensee's understanding that neither frequency coordination nor a Radiation Hazard Study is required in connection with this Minor Modification.

¹ Public Notice, "International Bureau Addresses Accuracy of Earth Station Location Information in IBFS", DA 17-1127 (November 21, 2017).
