Dear Ms. Dortch:

I am writing on behalf of ISAT US Inc., licensee of E150097, to certify pursuant to 47 CFR § 25.133(b)(1) that ISAT US Inc. commenced operation of the earth station terminal authorized by the above-referenced blanket license modification prior to the one-year anniversary of the grant (May 15, 2018).

The antenna type identified above has been tested and certified to be in conformance with the license terms. This terminal facility will remain operational during the license period unless the license is submitted for cancellation.

Please let me know if you have any questions.

Respectfully submitted,

/s/ M. Ethan Lucarelli
