Re: Call Sign E000166
IBFS File No. SES-MOD-20180420-00381

Dear Ms. Dortch:

Hughes License Sub, LLC (“Hughes”) submits this supplement to correct a typographical error in the above-referenced notification of minor modification to its Ku-band VSAT authorization. Specifically, the response to question E15 of Schedule B, FCC Form 312 regarding compliance with the antenna gain patterns specified in Sections 25.209(a) and (b), should be revised to specify “yes,” rather than “no.”

Please direct any questions regarding this filing to the undersigned.

Sincerely,

/s/ Jodi Goldberg
