Washington, DC 20554

Re: IBFS File No. SES-MOD-20180424-00394, Call Sign E110171

Dear Ms. Dortch,

It has been brought to our attention during the processing of this modification that there exist an error on the original license and subsequent modifications. The frequency range of 2085.6875 to 2085.6875 MHz was stated with the emission designator of 1M32G1D. Universal Space Network respectfully requests to have this corrected to the range 2085.1715 to 2086.2035 MHz on the pending application.

If you have any questions or require additional information please feel to call me.

Sincerely,

Joanne Greet
