Re: Request for Name Correction – AMC Networks Broadcasting & Technology

Dear Ms. Dortch:

On behalf of AMC Networks Broadcasting & Technology (“AMCN”), we hereby request that the Commission correct its records with respect to the following authorizations:

- E000220
- E000228
- E000597
- E010028
- E040445
- E180425

The authorizations are associated with one of AMCN’s two FCC Registration Numbers (“FRNs”):

- 0004505889
- 0004274015

In particular, AMCN requests that the Commission correct the above-referenced licenses and FRNs to “AMC Networks Broadcasting & Technology.” The current licenses and FRNs indicate that the licensee is “AMC Networks Broadcasting & Technology LLC,” an entity that never existed. There has been no change to AMCN’s corporate structure, nor has AMCN undertaken a name change. This request merely corrects the Commission’s records.

Should you have any questions regarding this matter, please contact me.

Respectfully submitted,

MINTZ
